

## Jill GARBER JEWELER

"Our home was filled with interesting art, antiques, and recycled bits of creative materials. My mother was always ready to provide ideas for another project. Because of her, we were never bored." Jill Garber

Designer and artist Jill Garber has spent her entire life creating beauty with her hands. Her exquisite collection of one-of-a-kind jewelry is a combination of romance, refinement, and a nonconforming free-spirited style. With meticulous workmanship and an eye for detail, she creates soulful multidimensional pieces that transcend cultural differences, age, gender, and restrictive fashion rules. There is a spirit of commonality, a celebration of the gift of being unique.

Cuff bracelets with hand-carved Venetian cameos, surrounded with greenish-blue turquoise edged in gold. Diminutive portraits on porcelain and other baubles are seamlessly united with natural amethyst, garnet, citrine, and freshwater pearls in necklaces, chokers, drop earrings, rings, and bolos.

Each and every one of Jill Garber's exquisite works of wearable art has a legacy that is endowed with stories and secrets of past lives tucked neatly inside forever. They speak unashamedly of her passion to create timeless beauty with her artist's language of love.
